SUMMER SCHOOL 2018 PERSPECTIVES IN NEUROAESTHETICS

September 24th – 28th | London UK

SUMMER SCHOOL 2018 - PERSPECTIVES IN NEUROAESTHETICS

September 24th–28th 2018, London UK

The Vienna Doctoral School in Cognition, Behaviour and Neuroscience is organizing a Summer School on *Perspectives in Neuroaesthetics* in London, UK. We will visit four institutions across cognitive sciences that are engaged with different aspects of Neuroaesthetics. Neuroaesthetics is a growing field concerned with the mechanisms and neuronal foundations of our aesthetic sense. The goal of this summer school is to acquire a comprehensive and differentiated insight into this hot topic. On each day, there will be lectures, hands-on sessions, and the possibility for engaging discussions with the researchers on-site.

Monday | Introduction by Marcos Nadal (University of the Balearic Islands)

Tuesday | [Wellcome Laboratory of Neurobiology](#), UCL

Wednesday | [Music, Mind, Brain Lab](#), Goldsmiths, University of London

Thursday | [Cognitive Neuroscience Research Unit](#), City, University of London

Friday | [Institute of Philosophy](#), School of Advanced Study, University of London

The call is open for early stage researchers. Please send your application with a letter of motivation (1 page) and a CV (max 2 pages) to neuroaesthetics.cobene@univie.ac.at until **June 15, 2018**. The fee is € 200 including accommodation. Travel costs are not included in the fee. Official VDS CoBeNe PhD fellows are eligible for reimbursement.

For more information, please visit vds-cobene.univie.ac.at.

In case of further questions, please contact neuroaesthetics.cobene@univie.ac.at.
