4th Annual Doctoral Conference VDS CoBeNe PhD Academy

Monday – Wednesday, 24th – 26th February 2025

University of Vienna, Main Building, Universitätsring 1, 1010 Vienna

What is the VDS CoBeNe PhD Academy?

- A three-day event bringing together the entire CoBeNe faculty and associated members, researchers from the fields of psychology, neuroscience, cognitive humanities, behavioral & cognitive biology for insightful discussions, networking, and collaboration
- A chance for doctoral candidates to present their work to an audience of peers at any stage of their PhD journey & gain 4 ECTS
- An occasion for master students to present a scientific poster
- Lab visits to facilitate exchange between disciplines
- Third mission workshop to promote highschoolers' engagement with science and university to facilitate community engagement
- Keynote lectures by CoBeNe alumni and panel discussion
- Conference dinner and professors' PowerPoint karaoke

Registration

Please register via Moodle:

<https://moodle.univie.ac.at/course/section.php?id=4490568>

Abstract submission deadline 01.11.2024

- **Talk (CoBeNe PhD candidates):** Register via u:find (<https://ufind.univie.ac.at/de/course.html?lv=540004&semester=2024W>) and submit your abstract via the form on Moodle between until November 1st
- **Poster (master students):** Register and submit your abstract via the form on Moodle until November 1st <https://moodle.univie.ac.at/course/section.php?id=4490568>

Abstract guidelines

- No more than 250 word
- Submitting work in progress, preregistrations, etc. is no problem
- Abstracts must be written for an interdisciplinary audience (i.e., people outside your specific field of research should understand what your talk will be about)
- Abstracts must contain clear information on what is being presented (i.e., preregistration / study plan, work in progress, or a completed study); depending on what is being submitted, abstracts should include information about the theoretical background of the work/research gap, research question, sample, study design, analytic procedures, and results
