# SUMMER SCHOOL 2018 PERSPECTIVES IN NEUROAESTHETICS

September 24<sup>th</sup> – 28<sup>th</sup> | London UK

**SUMMER SCHOOL 2018**  
**PERSPECTIVES IN NEUROAESTHETICS**  
**September 24<sup>th</sup>–28<sup>th</sup>, 2018**

The Vienna Doctoral School in Cognition, Behaviour and Neuroscience is organizing a Summer School on *Perspectives in Neuroaesthetics* in London, UK. We will visit four institutions across cognitive sciences that are engaged with different aspects of Neuroaesthetics. Neuroaesthetics is a growing field concerned with the mechanisms and neuronal foundations of our aesthetic sense. The goal of this summer school is to acquire a comprehensive and differentiated insight into this hot topic. On each day, there will be lectures, hands-on sessions, and the possibility for engaging discussions with the researchers on-site.

**Monday** | Introduction by Marcos Nadal (University of the Balearic Islands)

**Tuesday** | [Welcome Laboratory of Neurobiology](#), UCL

**Wednesday** | [Music, Mind, Brain Lab](#), Goldsmiths, University of London

**Thursday** | [Cognitive Neuroscience Research Unit](#), City, University of London

**Friday** | [Institute of Philosophy](#), School of Advanced Study, University of London

The call is open for early stage researchers. Please send your application with a letter of motivation (1 page) and a CV (max 2 pages) to

[neuroaesthetics.cobene@univie.ac.at](mailto:neuroaesthetics.cobene@univie.ac.at)

until **June 15, 2018**. The fee is € 200 including accommodation. Travel costs are not included in the fee. Official VDS CoBeNe PhD fellows are eligible for reimbursement.
